will use A Song Of Ice And Fire helps determine layout, navigation, and level of detail.

Organizing content logically before export also saves time. Clear headings, consistent sections, and well-structured paragraphs translate better into PDF format. Planning reduces formatting issues and ensures that the final PDF remains easy to navigate and understand.

Choosing the right source format

Using styles instead of manual formatting in the source file supports consistency and simplifies updates. Structured documents convert more reliably into high-quality PDFs.

Enhancing navigation and structure

Logical sectioning also supports better navigation. Breaking content into manageable sections with clear headings improves usability and reduces reader fatigue during long sessions.
