The city has become a battleground between various supernatural factions, human survivors, and powerful villains. The apocalypse was triggered by a series of catastrophic events, including the rise of the villainous Wolfram & Hart corporation and the unleashing of demonic forces.

This bleak landscape serves as both a literal and metaphorical backdrop for the characters' struggles. It amplifies themes of despair, resilience, and the possibility of redemption amid chaos.

Continuity and Canonical Significance

Angel After the Fall is considered officially canonical within the Buffy universe, with Joss Whedon heavily involved in its creation.
