The late 19th century was a period of rapid growth and transformation for Chicago. The city was burgeoning as an industrial and cultural hub, eager to showcase its progress on the world stage. The 1893 World's Columbian Exposition, also

known as the Chicago World's Fair, was a grand event designed to celebrate the 400th anniversary of Christopher Columbus's arrival in the New World. It attracted millions of visitors from around the globe and featured innovative architecture, technological marvels, and cultural exhibits. Holmes, exploring his life, crimes, and the mechanisms he used to lure and kill his victims. Larson employs meticulous research, blending factual accounts with vivid storytelling, creating a compelling tapestry that captures the grandeur of the fair and the horror of Holmes's deeds.
