Growing up in a modest household, Modi faced the typical struggles of a small-town family. Despite economic hardships, he was an active and curious child, showing early signs of

leadership and a keen interest in social issues. His childhood experiences in Vadnagar played a significant role in shaping his worldview and future ambitions.

Early Education and Interests

Inspired by the teachings of Swami Vivekananda and other spiritual leaders, he became interested in social service and nationalistic ideals. In his teenage years, Modi was also passionate about debating and public speaking, which helped him develop confidence and communication skills. His early exposure to social issues and community service laid the foundation for his later political ideology.

At the age of 17, Narendra Modi left his home and traveled across India, engaging in spiritual pursuits and seeking greater understanding of social and political issues. This period of wandering, often referred to as his "sanyas" phase, lasted for about two years. During this time, he visited various religious sites and learned about different cultures and philosophies. This phase was crucial for Modi as it deepened his spiritual inclinations and broadened his perspective on societal challenges. His travels also exposed him to diverse social realities across India, fueling his desire to contribute meaningfully to the nation's development.
