Verse 1

Right now, he's probably slow dancing with a bleached-blond tramp
And she's probably getting frisky
Right now, he's probably buying her some fruity little drink
'Cause she can't shoot whiskey
Right now, he's probably up behind her with a flashlight
Showing her how to shoot a gun
And he's probably saying, "Hey, girl, I know you ain't drunk
But wait till you see what I've done"

Chorus

Because I dug my key into the side
Of his pretty little souped-up four-wheel drive
Carved my name into his leather seat
I took a Louisville slugger to both headlights
Cracked his rearview mirror

I watched him as he fell
And I took a big sip of whiskey
And I slashed his tires
Maybe next time, he'll think before he cheats

Verse 2

I might have saved a little trouble for the next girl
'Cause the next time that he cheats
Oh, you know, it won't be on me
Oh, not on me

Chorus Repeat

Because I dug my key into the side
Of his pretty little souped-up four-wheel drive
Carved my name into his leather seat
I took a Louisville slugger to both headlights
Cracked his rearview mirror
I watched him as he fell
And I took a big sip of whiskey
And I slashed his tires
Maybe next time, he'll think before he cheats

Bridge

I might have been a little bit crazy
But I got to make him pay
He's gonna wish he'd never cheated
He's gonna wish he'd stayed away

Outro

Yeah, before he cheats
Oh, before he cheats
Yeah, before he cheats
Oh, before he cheats

Without clear organization, it becomes difficult to identify the correct version for reference or citation. Implementing a systematic approach ensures accuracy and consistency.

Labeling files with publication year, edition number, or volume information is a simple yet effective strategy. Including these details directly in file names allows quick identification and reduces the risk of using outdated material. For example, adding the year or edition to the filename distinguishes current files from archived ones at a glance.

Maintaining a catalog or index can further enhance organization. A simple spreadsheet or document listing titles, editions, publication dates, and storage locations provides an overview of the entire collection. This approach is particularly useful for large libraries or collaborative environments where multiple users access shared resources.

Version control practices also support organization. Keeping a change log that notes updates, revisions, or significant differences between editions helps users understand why multiple versions exist and when to use each. This clarity is essential for research accuracy and collaborative work.

Archiving and retrieval strategies

Older editions that are no longer actively used can be archived in separate folders. Archiving preserves historical context while keeping primary working directories uncluttered. Clear labeling and documentation ensure that archived files remain easy to retrieve when needed.
