The "alpha kings" in these contexts were rulers at the top of the social pyramid, wielding absolute power over their subjects, including slaves. - Examples: - Ancient Egypt, Mesopotamia, Greece, and Rome had ruling elites who maintained systems of slavery. - Kings and emperors often justified their authority through divine right, which they used to legitimize the subjugation of others. Despite the prevalence of slavery, there are recorded instances where rulers and aristocrats expressed disdain or moral opposition to slavery, indicating that even within oppressive systems, personal and ideological conflicts existed.
