enhances understanding and productivity. However, it is essential that sharing practices always comply with legal and ethical standards, particularly regarding copyright and licensing.

When sharing *The Classic 1000 Cocktails* with peers, users should ensure that the copy being shared is legally permitted for distribution. Public domain works, open-access materials, or files explicitly licensed for sharing can be distributed freely. For paid or copyrighted editions, sharing should be limited to official links, publisher platforms, or access methods allowed by the license. Respecting copyright protects creators and ensures the continued availability of high-quality content.
