Steps:

1. Conduct surveys or interviews to understand learners' motivations.
2. Assess the learners' current language proficiency.

Considerations:

1. What communicative functions should learners be able to perform?

2. What language components (vocabulary, grammar, pronunciation) are prioritized?
3. Are there intercultural competence goals?

Example Objectives:

1. "By the end of the module, learners will be able to hold a basic conversation about daily routines."
