One of the most important tips is to break your reading into manageable sessions. Long, uninterrupted reading on a screen can strain the eyes and reduce concentration. Instead of reading for several hours at once, divide your time into shorter sessions with regular breaks. This approach helps maintain focus, improves understanding, and prevents mental exhaustion. Using techniques such as the Pomodoro method—reading for 25–30 minutes followed by a short break—can be particularly effective.

Using bookmarks is another simple yet powerful habit. Most digital reading platforms allow you to bookmark chapters, sections, or specific pages. Bookmarks make it easy to return to important parts of Ancient Roman Art And Architecture without scrolling or searching manually.
