The genesis of *Mamma Mia*! as a musical began with a Swedish production in 1999, inspired by the hit songs of ABBA. The script, penned by Catherine Johnson, was crafted to weave these melodies into a cohesive narrative set on a picturesque Greek island. Over the years, the script

has undergone revisions to enhance pacing, character development, and comedic timing, ensuring it appeals to diverse audiences. Core Narrative Arc At its heart, the script follows Sophie Sheridan, a young woman preparing for her wedding, who seeks to discover her paternity by consulting her mother, Donna. The narrative unfolds through a series of flashbacks and present-day interactions, revealing Donna's youthful adventures and her relationships with three men—Sam, Harry, and Bill—each potentially Sophie's father. The storyline balances humor and emotion, with the script interlacing dialogues, monologues, and musical sequences. The script's modular design allows for flexibility in staging and adaptation, making each production unique while maintaining the core story.

Structural Components of the Script Stage Scene
