Tags provide flexible organization beyond fixed folder structures. Applying descriptive tags allows PDFs to belong to multiple categories without duplication. For example, Nicmar Sample Question Paper can be tagged by topic, audience, or usage type, making it easier to retrieve in different contexts.

Tagging systems work best when controlled and consistent. Establishing guidelines for tag usage prevents fragmentation and maintains clarity within the library.

text-based and well-structured, keyword searches become significantly faster and more reliable.

Using OCR for scanned documents converts images into searchable text, improving both usability and accessibility across the library.
